## Feeding guidelines

Average daily amount for a 2 kg cat is approx. 2 bags/day. 4 kg cats need approx. 3 bags/day and 6 kg cats need approx. 4 bags/day. Adjust the amount according to your cat's individual needs. Cats should always have free access to fresh drinking water. Appetitt wet food is also suitable for neutered cats.

## Storage

After opening, the bag should be stored in a refrigerator (not above +8°C) and consumed within 2 days.

## Net weight

85 g x 12

## Best before and batch number

Printed on the pouch and box.

Pouches are recycled as plastic and paper box as paper packaging.  
Produced in Sweden with swedish raw materials.
